LOCATED NEXT TO GAME TIME BAR & GRILL

PARK INFO

What can you tell me about iPlay America?

iPlay America is almost 4 acres of indoor entertainment that truly offers something for everyone. iPlay America hosts indoor rides, exciting attractions, over 200 arcade games, party rooms and multiple concessions sure to please any taste. An exciting state of the art indoor theme park: where the city meets the boardwalk!

How do the unlimited wristbands work?

Wristband holders show their wristband at the included rides for unlimited access all day. Wristbands are 1 per person. Participating adults on any ride require an unlimited band OR an iPA Card with credits to ride.

What is an iPA Card?

iPlay America uses an advanced debit card that gives you access to our rides, games and attractions. iPA Cards can be purchased at the Welcome Center or at one of our ten self-service kiosks located throughout iPlay America. iPA Cards are used for both credits and our "Add to the Fun" packages. Credits purchased on an iPA Card are based on a pay as you go system. "Add to the Fun" packages are for use day of purchase. Credits never expire.

What are the benefits of registering my iPA Card?

Having a registered iPlay America Game Card entitles users to cardholder benefits via email. Plus, if you lose your card, your credits and iTickets can be replaced.

What is the difference between a Gift Card and an iPA Card?

iPA Cards with credits can be directly swiped for rides, games and attractions. Credits are not applicable towards food or retail purchases. iPA Gift Cards can be directly swiped for rides, games and attractions, as well as used as monetary value at the Welcome Center, Game Time Bar & Grill or any of our concessions. Gift Cards do not accrue bonus credits.

What forms of payment are accepted at iPlay America?

We accept the following: Visa, MasterCard, American Express, debit cards and cash. All credit and debit purchases require photo I.D. We do not accept personal or business checks for walk-in-guests.

Can I schedule a party at iPlay America?

Yes, iPlay America offers several party packages to fit your needs and budget. All parties must be booked in advance with one of our Reservation Specialists. Contact our Party Planners for pricing information at 732.577.8200 x382
